

Regain the freedom of your home

The Acorn 130 Outdoor Stairlift

The Acorn 130 Stairlift is one of the most advanced and widely used stairlifts in the world, helping hundreds of thousands of people worldwide to safely and comfortably use their stairs and enjoy their homes again.

The Acorn 130 Outdoor Stairlift has all of the features of the indoor unit, but has been designed and manufactured specifically for outdoor use. In addition, it also comes with a durable, waterproof cover for the ultimate in outdoor protection.

The Acorn 130 Outdoor Stairlift is ideal for any situation involving outside stairs or steps, including garden steps, balconies, porches, verandas, and garage or basement steps.

The seat post is made of 100% stainless steel, the rack & pinion drive is Nitrotech coated, all the electrical systems use fully sealed cables, and all plastic material is flame retardant and UV resistant; to fully protect the unit from the elements.

Give your life a lift®

Enjoy the home you love

A wealth of features for your benefit

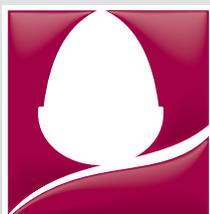

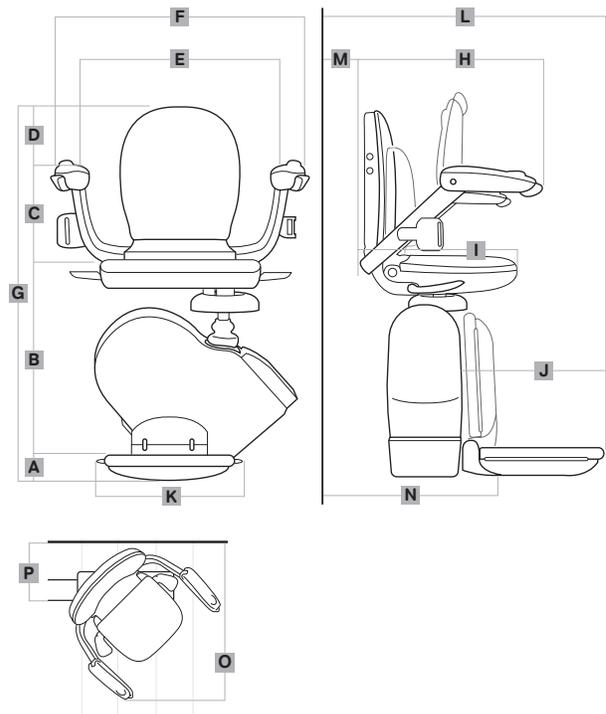

- 1 Padded seat and backrest.
- 2 Easy to use controls.
- 3 Secure safety belt.
- 4 Folding arms, footrest and seat allow easy access to the stairway.
- 5 Swivel seat - no need for twisting the body to get on and off the lift.
- 6 Lockable on/off switch allows the user to prevent others (e.g. children) from using the lift.
- 7 Diagnostic digital display informs the user of the status of the lift.
- 8 Five safety sensors on the footrest and carriage stop the lift automatically if any obstruction is encountered.
- 9 Hand-held remote controls allow users to 'call' or 'send' the lift up and down the staircase.
